

Iowa Senior Planning

was founded in 2013 by Landon Sandberg. We aim to help citizens of the community find the best financial options available for their long-term healthcare needs.

We use innovative approaches to help seniors qualify for public benefit assistance to help lower the cost of long-term care.

Our additional specializations include:

- Medicare insurance
- End-of-life planning
- Pre-need funeral arrangements

Iowa Senior Planning's **mission** is to give seniors hope and financial security through quality work and innovative long-term care solutions.

Iowa Senior Planning's **vision** is to change the way seniors and their families access and qualify for public benefit assistance programs.
